

ENVIRONMENTAL BIKA HMALAK DAN TUR

1. North Eastern Region Capital Cities Development Investment Program (NERECCDIP) chuan India hmar chhak a khawpui hrang hrang Agartala, Kohima, Gangtok leh Shillong ah te hun lo kal zel tur thlir chung a hmasawna chhenfakawm thlen tir tumin heng khawpui a hmanraw awm ang ang leh sum leh pai hmangin ruahmanna a siam a. Chung hmasawna tur leh hnathawh tur chu hlawm thuma then a ni a: (i) tui pek/sem tih changtlun, (ii) bawlhhlawh paih dan leh a vawn thianghlim dan kawnga hmalak; leh (iii) bawlhhlawh paihna hmanrua tih changtlun.
2. Tranche-3 hnuai tui pek dan tur tih changtlunna tura ruahmanna te chu : (i) lei sik china tuizem 9, cement concrete hmanga siam, (ii) Republic Veng field a tui khawlna tur sak, (iii) Zone thar leh tui sem theihna awm apianga tui pekna pipe lian leh sem darhna pipe 31.66 km siam belh, (iv) tui pekna/sem darhna pipe 224.16 km laia sei siam belh; leh (v) tui luanna tur 70 bulk bun belh. Part B – (i) uluk taka hnathawh endik a, zirchian reng, (ii) hnathawhna atana ram chin finfiah, (iii) kawng in a kal pawh chin enfiah, (iv) hmanrua leh bungrua mamawhte puhruk, (v) tui mamawh khawp pekna tur bun, (vi) electric pek chhuahna tur bun, (vii) in sakna tur bungrua leh a kaihnawih awm thei apiang puhruk, (viii) tui thianghlim khawlna, (ix) hnathawh tur chin ruangam enfiah; leh (x) a hmun vawn himna/hungna tur te mamawh a ni dawn a ni.
3. ADB hian an Bank kaltlanga hmalakna reng rengah environment hi a ngaipawimawh em em a, chuvangin ADB Safeguard Policy Statement (2009) (SPS) ah pawh an bank kaltlanga hnathawh nan loan chi hrang hrang puk tur ten environment chungchanga an zawm tur chiang takin a tarlang vek a ni.
4. He hna kalpui a nih thuah hian a chhe zawnga nghawng thei tur thil tam tak awm bawk mah se, chutiang chhiatna leh harsatna erawh hmuh a ni lo. Environment enkawl dan tur ruahmanna (EMP) hi a tira environment zirchianna (IEE) huangah telh a ni a, chu chuan : (i) hna in environment a nghawng nasa tak a neih tur tih tlem nan hma lak te, (ii) environment ti chhe tlem zawnga hmalak te, ngun taka enthlithlai te, a tul anga report pe tura mawhphurtu ruat te, (iii) mipui biak rawn leh hriat tur pawimawh puanzar te; leh (iv) lungawilohna/sawiselna lo dawngsawng a, siam that ngai siam tha tur pawl lo ruat te a huam a ni. Hna in nghawng chhia a neih theih ang chi te, a tuartute tana pawm theih chin tih tlem a nih theih nan ruahmanna siam a ni a, ruahmanna awm sa te ti danglam in chhiatna thleng palh thei tam tak tih tlem a ni tawh a ni. Hna emaw, a hnuhma vang emaw in he project hi a chhe zawnga nghawng a neih loh nana hmalak a nih theih nan hengte hi IEE huangah telh a ni.

5. He hna thawh a nih vanga harsatna thleng thei tur IEE in a tarlan chu: (i) lei chunglang tam zawk tihchhiat a ngaih dawn avangin lei tha tam tak a ral dawn a ni, (ii) hnuhma awih leh remlo lai te venhim a nih loh chuan hna tan a nih hunah tui chu bawlhhlawh chi hrang hrangin a chim dawn a, leimin a hlauhawm baw, (iii) hnathawhna hmuna hmanrua chi hrang hrang leh lirtheite avangin a bul vela mite tan nasa takin boruak thianghlimlo, bengchheng leh boruak khu nasa tak a thlen thei a ni, (iv) hnathawhna bul vela tui luan chhuahna tur siam a ngaih avangin a bul vela lui tui te a ti bawlhhlawh thei a ni, (v) tui semna tur laih a nih avangin bawlhhlawh tam tak enkawl loh a awm thei dawn a ni, (vi) hna thawh a nih laia buai tam taka wm thei, traffic tih danglam thlengin a nghawng thei a ni, (vii) hna thawh a nih chhunga hmanrua leh hmun hma, mimal ram hawh leh hnathawk tute riabuk leh khawsakna thlenga tihfel leh endik reng a ngai dawn a ni; (viii) mi nawlpui, a bikin hnathawhna hmuna cheng te hriselna atana hlauhawm thei thil tam tak a awm thei a, hemi avang hian IEE chuan chhiatna a thlen loh nan hma lak te hi a ngai dawn a ni.

6. Hna in a nghawng theih thil reng reng te chu hna thawh a nih lain environment enfiah hna thawh ngei tur a ni. He environment enfiahna hian thil tul leh pawimawh zawng zawng tha taka zawm a ni em? tih a enfiah anga, ruahman ang thlapin environment humhim a ni em tih te, hnathawhna hmun leh a pawn lam enthlithlai te, lehkha pawimawh enfiah te leh hnathawk tute leh hlawkna tel tute kawm te a huam ang a, thil pawimawh dang awm reng reng SIPMIU ah report vat baw, tur a ni.

7. Tui pek leh tui chhe paihna tihchangtlun hi a hlawkna tel turte chu Aizawl a chengte an ni a, a chhan chu mumal zawk leh rualkhai zawka tui sem a nih tawh dawn vang a ni.

8. He project kalpui a nih dawn hian vantlang inkhawmah mawhphurhna hrang hrang neite nen inbiangbiakna neih hmasak a ni a, chung atanga ngaihdan lo kal te chu he project a hmalak dan turah IEE ah te pawh telh a ni. He IEE hi ADB website bakah mipui tam zawkin an hmuh theih nan zau zawka theh/puan darh tum a ni baw. Hna hi thawh zawh a nih hma chuan ngaihdan lak a ni reng dawn a, he project in a khawih phak zawng zawng te a tam thei ang bera an tel ve theih nan hma an la dawn a ni.

9. Heng kan sawi tak atang hian he sub-project hian nghawng pawh tham a nei dawn lo tihna a ni a, ruahmanna leh hna avanga nghawng pawh tham thleng thei ang chi te pawh a kalphung han sawi danglam hlekin leh thurawn lak atang te in ADB in a beisei ang a hna hi kalpui thei tura ngaih a ni. IEE zirchianna atang hian he hna hi category 'B' a dah theih a ni tih hriat a ni a, ADB SPS (2009) zawm tura a hranpaa Environmental Impact Assessment (EIA) environment a nghawng dan tur zirchianna neih leh pawh tul lem lo a ngaih a ni.
